

Session 1 - June 3 - 7

Welcome Summer! (All Campers):

This week is all about water...and sun...and GAMES! We're talkin', water parks, beach time, and watermelon seed spittin'! In addition to an enormous Field Day course, our giant tarp will host our annual water challenge course.

Pre-K is never outdone when it comes to water play and will join the fun with sprinklers, sand art, and so much more!

Three cheers for SUMMER!! We can't wait to kick off SUMMER FUN with YOU!

Session 2- June 10-14

Charleston Staycation! (2K – 3K – 4K) / Tourists in Our Own Town! (5K – 5th Grade)

Let's explore our beautiful hometown! While our Pre-K campers are engaging in Lowcountry lore and exploring Charleston history through arts, crafts, stories, and games our 5K – 5th Graders will be enjoying Carriage Rides throughout downtown Charleston and visiting historical museums, plantations, and our wonderful local parks.

By the end of this week, our Campers will never want to leave their hometown!

Session 3 - June 17-21

Sports and/ or Hip-Hop! Week : (Campers' Choice)

Calling all Sports Fans! Back by popular demand, we are bringing back our Sports Sampler week! Campers will focus on multiple sports—basketball, flag football, soccer, and kickball to name a few. Friday will be Athlete's Choice, where a popular vote will determine the sport of the day.

Ready, set, HIKE!

Dance Fever will take over our other Campers and keep them moving this week! Our Dancers will be bustin' moves each day while they learn a new routine choreographed by a professional instructor.

Are you ready to "show us what ya got"?

Session 4 - June 24-28

Mad Science (2K – 3K – 4K) / Full S.T.E.A.M Ahead (5K-5th Grade):

Jump on board for a week of hands on projects and experiments aimed straight for the brain!

This week will be all about experiments, ingenuity, and unbridled creativity. Testing, building, charting, and exploring...no brains will be turning to mush this week! Our Pre-K, will be donning goggles and delving into science of the messy kind.

If it oozes, poofs, pops, or fizzes, our Mad Little Scientists will be all in!

Session 5 - July 8-12

Into the Wild Nature Camp! (All Campers) (AfterCamp closes at 3:00 this week due to VBS):

Are you ready to go Into the Wild?? This session will allow Campers to get up close and personal with nature! Grab your favorite camera and buckle your seatbelt for a wild ride into seven animal habitats, where Campers may catch a glimpse of the tip of a tail or a flash of color racing through the terrain. Campers will don their binoculars and look for birds and flying insects as they explore Nature Trails and Wildlife Preserves on campus and around town.

Be sure to fill your canteen and wear your hiking boots this week! You will not want to get left behind!

Session 6 - July 15-19

Fitness Fun for Everyone! (All Campers)

Whether you're sweatin' to the oldies or pumping iron, being fit should be *FUN!* Our Campers will be joined by their own Personal Trainers who are ready to encourage these Campers to perform their best. Our Campers will complete challenging workouts designed especially for young bones and muscles...and they will soar to new heights at SkyZone or Velocity Sports! Back on campus, healthy competition will reign with Pre-K group game times focused around obstacle courses and great feats of Fitness. Stretch & Grow will also be joining our Pre-K campers for a week of health and exercise centered games and group activities. Projects for everyone will include making tasty and nutritious snacks in addition to our arts and crafts time.

We can't wait to see how our elite Campers "score" by the end of this week!

Session 7 - July 22-26

Fine Arts Week + End of Summer FUN! (All Campers):

Without a doubt, creativity is at its best flowing from the hands of children. This week will be all about unleashing our own creativity as we draw inspiration from the "musical and artistic greats". We'll make our own representations of some recognizable pieces, but we'll also talk about techniques we can use to bring life to our own, unique masterpieces. Inspiration abounds at local art galleries and museums, and we will set off to explore these local art treasure troves.

We couldn't end the summer without more water, so expect even more water fun this week as well!

Field Trips: Field trips may include: Sky Zone, the USS Yorktown, bowling, the movies, county playgrounds and water parks, the beach, Crossfit, a carriage ride, Nature Adventure Outfitters, Wild Blue Ropes, Charleston Zip Line Adventures, SC Aquarium, and The Children's Museum, to name a few!

We do our best to plan all field trips in advance, however, some locations require later reservations as they plan around their own camp schedules. Due to unpredictable Lowcountry weather, field trips are sometimes rescheduled or changed at the last minute. You will always be notified of any changes as soon as possible.
