<b>Session 1:</b>	<b>June 1 – 5</b>	<b>Welcome Summer with Spirit!</b> <i>School is out for Summer, and this week is all about celebrating! From Pajama Day to Hawaiian Day to Water Day, we are welcoming Summer with a big dose of spirit!</i>
<b>Session 2:</b>	<b>June 8 – 12</b>	<b>Time Travelers!</b> <i>Hop in the DeLorean and take a trip with us through time as we raid a couple of tombs, search for treasure, and discover technology through the ages. But we are not stopping there! To top off the week, all campers will have a blast from the past in a fun-filled Renaissance Rally complete with face-painting, prizes, and crafts. Get ready, get set, travel!</i>
<b>Session 3:</b>	<b>June 15 – 19</b>	<b>Let Your STEM Grow!</b> <i>If you can dream it, you can make it! This week is all about imagination and letting your STEM grow! Discover science fun and let those creative juices flow as you test, build, chart, and explore through hands-on projects. No builders or inventors will be left behind this week!</i>
<b>Session 4:</b>	<b>June 22 – 26</b>	<b>Summer Camp Olympics!</b> <i>What is your favorite Olympic event? We've got you covered with an event for every day, including hockey, gymnastics, and pentathlons. Beginning with the "lighting" of the torch, we will host our very first Summer Camp Olympic Event. We'll meet you at the starting line!</i>
<b>Session 5:</b>	<b>July 6 – 10</b>	<b>Age of Exploration!</b> <i>This session is all about exploring the wondrous world around us and the universe beyond. Meet the explorers who have traveled the world while jetting to outer space, diving into caves, journeying to the center of the Earth, and much more! Strap on your boots and let's explore!</i>
<b>Session 6:</b>	<b>July 13 – 17</b>	<b>Wild Critter Kingdom!</b> <i>Let's take a walk on the wild side! Don't forget your binoculars because this session is all about the critters from all walks of life -- at the zoo, under the sea, and so much more! We are getting up close and personal in animal habitats, where campers may catch a glimpse of a tail or a flash of color racing through the terrain. You don't want to miss this wild week!</i>
<b>Session 7:</b>	<b>July 20 – 24</b>	<b>On Broadway!</b> <i>If Coastal Christian was a Disney movie, what would it look like? Let's find out! This session is all about exploring creativity through art and music. With the help of Coastal's own Fine Arts Faculty, each group will have a song and props of their own design for their "act" in the mini-musical they will perform at the end of the week. We can't wait to see what they come up with!</i>

**In addition to our Session 3 being dedicated entirely to STEM/STEAM projects, we have purposefully incorporated STEAM ideas into each of our weekly themed camps. Your campers will be STEMin' and STEAMin' all summer long!**
